## REPORT TO THE PRESIDENT

THE PRESIDENT,

*The White House.*

SIR: This is a report on the proposed modification for the Code of Fair Competition for the Graphic Arts Industries as approved by you on February 17, 1934. A Notice of Opportunity to be Heard was issued on July 7, 1934, and full opportunity was given to all interested parties to file criticisms of, objections to or suggestions concerning said modification.

The proposed modification consists of a substitution in the trade practice provisions set forth in the form of an Appendix to the Code.

The proposed modification does not in any way affect the labor provisions of the Graphic Arts Code.

The Deputy Administrator in his final report to me on said modification to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The modification to said Code and the Code as modified are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provision of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7 and sub-section (b) of Section 10 thereof.

(c) The National Graphic Arts Co-ordinating Committee was and is the highest governing body of the Graphic Arts Code and truly representative of the aforesaid industry, and has applied for this modification.

(d) The modification and the Code as modified are not designed to and will not permit monopolies or monopolistic practices.

(e) The modification and the Code as modified are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said modification.

I believe the modification to be fair to the consumer and to the industry, and for these reasons, therefore, I approve this modification.

Respectfully,

HUGH S. JOHNSON,  
*Administrator.*

AUGUST 29, 1934.

## MODIFICATION TO CODE OF FAIR COMPETITION FOR THE GRAPHIC ARTS INDUSTRIES

The modification proposed is to delete the provision for "Time Discount" under Item No. 4, Appendix of Industry No. A-4, Graphic Arts Code, sub-head "Superfinish Cover Manufacturing" and to submit in lieu thereof the following:

"On orders received on or before February 15 and for manufacturing prior to July 1 of the same year, accompanied by a dummy, approved sketch, and complete manufacturing instructions, the manufacturer may allow a special discount of five per cent (5%), provided the order is shipped and billed upon completion and provided, further, that the invoice is paid on the cash discount date."
